

2010 Family Leadership Institute

To be held in Timonium, MD

Building a better system of mental health care for children
through family empowerment.

APPLY TODAY

Who Should Apply?

Maryland family members who are caring for a child with mental health challenges and who have a desire to improve services for all children. FLI participants' children may be involved in regular or special education, foster care, residential treatment or juvenile justice. The family may have public or private insurance. A diversity of experiences and backgrounds enriches the program.

Why participate?

The Family Leadership Institute is designed to provide information and training that will enable family members to better advocate for children who have mental health challenges and to become strong leaders in building a better system of care in the State of Maryland.

The Family Leadership Institute (FLI) is free to all accepted participants. Meals, lodging and materials are fully funded. Also, for those who are in need, limited funds are available for child care and transportation. Apply today. FLI is limited to 25 participants. Applications are required and are available now. Need more information? Email mdfli@mdcoalition.org or call Carol Allenza at 410-730-8267.
